Environmental Compliance Conference

February 11, 2027| Renaissance Raleigh North Hills Hotel | Raleigh, NC

This event is targeted toward professionals who manage the environmental and safety compliance matters for their organization, focusing on regulations and how to ensure compliance.

The basis of an effective Environment, Health and Safety (EHS) program remains the strength of its management system and how thoroughly it is integrated into business practices. Join the NC Chamber and industry experts to proactively discuss pressing regulatory issues, legislation, policy decisions and other initiatives on water, waste, air and natural resources that affect business.

Expected Attendance: 200

"Great opportunity to hear state regulatory subject matter experts speak on hot topics affecting the regulated community. Very organized and informative sessions."
