

Environmental Compliance Conference

FEBRUARY 3, 2021 | VIRTUAL

Mike Abraczinskas
Director
North Carolina Department of Environmental Quality
Division of Air Quality

Mike Abraczinskas is currently the Director of the North Carolina Division of Air Quality (DAQ). Mike has 23 years of experience in air quality (over 21.5 with DAQ), including regulatory development, planning, emissions and air quality modeling, and compliance activities. Mike worked in 7 different positions in DAQ prior to being named Director in March of 2017.

He graduated from North Carolina State University; is certified as an Engineer-In-Training (EIT); and is a graduate of the North Carolina Public Managers Program.
