

AN NC CHAMBER EVENT

Energy Summit

FEBRUARY 15, 2022
DURHAM, NC

George Baldwin
Principal
Baldwin Consulting Group

George Baldwin is a senior executive with extensive experience and knowledge in developing complex business, energy policy and external affairs related solutions. He actively manages Baldwin Consulting Group (BCG) which was established in 2017 and operates at the nexus of energy, environmental and regulatory matters. Previous to establishing BCG, George served as Duke Energy's Director of FERC and Natural Gas Policy, and prior to that as Managing Director of Government Relations & Sustainability for Piedmont Natural Gas. Baldwin received his MEM from the Nicholas School at Duke University, his MBA from Campbell University and his BSBA from Appalachian State University. He is also a recipient of the Order of the Long Leaf Pine, the highest civilian honor in North Carolina.
