RALEIGH, NC

Vincent Branchesi
National Director, Group Benefits Center of Excellence
MetLife

Vincent Branchesi is an expert on the workforce of the future and a leading voice of MetLife's "Employee Benefit Trends Study." A recognized thought leader, Branchesi shares his thoughts and expertise on how employers can adapt and stay relevant to today's evolving heterogenous workforce; allowing them to attract, engage and retain the best talent. Prior to discovering his passion for the evolution of the workplace, Branchesi was part of the product strategy team at MetLife that helped grow their accident and health business while improving customized plan design capabilities. He has also overseen focused marketing efforts for some of the largest employee benefits brokerage and consulting firms in the United States. In addition, Branchesi serves as a past Chairperson to LIMRA's Workplace Benefits Advisory Board, an industry association of the largest group benefit carriers in the United States.
