

AN NC CHAMBER EVENT

Health Care Conference

SEPTEMBER 20, 2019 | DURHAM, NC

Sharon A. Brigner, MS, RN
Deputy Vice President, State Government Affairs
PhRMA

Ms. Brigner serves as deputy vice president in state government affairs for the Pharmaceutical Research and Manufacturers of America (PhRMA), a trade association of more than 37 biopharmaceutical companies located in Washington, DC. She provides clinical expertise and policy support and strategy for issues related to the industry, including cost and value of medicines, adherence, prescription drug abuse and the industry's latest innovations. She works closely with the National Governors Association, Women in Government (an association of state women legislators) and serves on the Board's Advisory Council for the National Foundation of Women Legislators and on the Corporate Advisory Council for the American Association of Nurse Practitioners.

Previously, Ms. Brigner worked for the National Committee to Preserve Social Security and Medicare (NCPSSM), a large national grassroots seniors' association. Other work experiences include: the General Accounting Office (GAO), the Congressional office of Senator Chuck Robb, the Center for Health Policy Research and Ethics at George Mason University, and the National Institutes of Health Clinical Center in Bethesda, Maryland, where she worked as a Neurology nurse to provide direct patient care to patients from all over the world. A few years ago, Ms. Brigner worked weekend shifts at a local hospital's emergency room in Northern Virginia.

Ms. Brigner attended nursing school at Texas Woman's University in Houston and served as president of the National Student Nurses' Association and president of the Texas Nursing Students' Association. Ms. Brigner also holds a master's degree in health systems management from George Mason University.
