

Transportation & Infrastructure Summit

AUGUST 27, 2020 | VIRTUAL

Jim Dewey
Director of Supply Chain - Transportation & Logistics
Lowe's Corporation

Jim Dewey is a Director of Supply Chain - Transportation & Logistics with Lowe's Corporation based in Mooresville, North Carolina. He leads a team of 80+ professional associates who coordinate the transportation of goods to provide replenishment for the nation's second largest Home Improvement retailer. He has more than twenty years' experience leading Transportation, Distribution and Retail operations for Lowe's and Target Corporation, and is cited as the Lead Inventor in three patents for Distribution efficiency held by Target. Prior to his career in Retail Supply Chain Management Jim served seven years in the United States Navy as a Supply Corps officer. He holds a bachelor's degree from North Carolina State University.
