NC Chamber

Julie Felgar
Head of Government Affairs
JetZero

Julie is a seasoned aerospace, consulting, and leadership expert bridging business and public policy across government, renewable energy, and aviation industries. Previously, she ran her own consulting firm, specializing in executive coaching, leadership development, and strategy alignment for top-tier clients like McChrystal Group, Pfizer, Morgan Stanley, Vertical Airlift International, and Anheuser Busch. For 15 years, Julie held several executive positions in Boeing, including environmental strategy and managing US and global policy advocacy and business development initiatives. Her formative career years were inside the United States Government, focused on trade controls and national security.
