

AN NC CHAMBER EVENT

Environmental Compliance Conference

JANUARY 31, 2024
DURHAM, NC

Dianne Green
Principal
Geosyntec Consultants of NC, P.C

Dianne Green is a Principal with Geosyntec based in Cincinnati, Ohio. She has over 30 years of experience in the global product stewardship field (11 of those years at Procter & Gamble), with a focus on chemical and product risk assessment, regulatory compliance and hazard communication.

She has managed complex international technical and multi-stakeholder programs in chemical registration and compliance, alternatives to animal testing, sustainability, life cycle assessment, hazard communication and environmental quality assessment. She has extensive experience with the European Union (EU) Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) Regulation, EU Classification, Labeling and Packaging (CLP) Regulation and the United Nations (UN) Globally Harmonized System of Classification and Labeling of Chemicals (GHS), and has led numerous REACH registrations, developed GHS classifications of hundreds of chemicals and mixtures, served as a Consortium Manager for two aerospace and defense consortia pursuing authorisations under REACH and provided technical support for several authorization applications under REACH.
