Oz Hackett
President & CFO
Open Book Extracts

Oz Hackett is a passionate change agent who thrives on building teams and businesses. As the President & CFO of Open Book Extracts, Oz is intensely dedicated to achieving the company's mission of being the true north of the global non-THC cannabinoid industry. The team at OBX believes deeply in the power of plant-based medicine and has the research and production infrastructure in place to lead the way in bringing safe, pure, and effective cannabinoid-based products to market.

Oz began his career on Wall Street (Deutsche Bank, Lazard), and served as CFO & General Counsel of two FinTech companies, including an online insurance sales platform (Goji) backed by Bain Venture Capital, and a financial data management company (BrightScope) that was purchased by Institutional Shareholder Services.

Oz received his J.D. cum laude from Harvard Law School and graduated magna cum laude from Georgetown University's School of Foreign Service with a BS in Science, Technology, and International Affairs. He is an active member of the Massachusetts Bar.
