

# Environmental Compliance Conference

FEBRUARY 5, 2020 | RALEIGH, NC

**Joselyn Harriger, PG**  
**Supervisor, Brownfields Property Management Unit**  
**North Carolina Department of Environmental Quality**

Joselyn Harriger joined the North Carolina Department of Environmental Quality Brownfields Program in 2015 and is currently the supervisor of the Property Management Unit. Prior to her work with the state, she had over 10 years in the environmental consulting industry where she specialized in due diligence assessments for property transactions, EPA Brownfield Grant Administration, and Brownfields property assessments. Ms. Harriger received her degree in environmental science from Slippery Rock University in Pennsylvania and is a North Carolina Licensed Geologist.
