

Energy Summit

MAY 11, 2021 | VIRTUAL

Mark Hawes
Director of Environment, Safety & Product Compliance
Shurtape Technologies, LLC

Mark Hawes has provided leadership and direction for Shurtape's Environment, Safety and Product Compliance group over the last 20+ years. During this time, he led the development of Shurtape's Sustainability process resulting in a focus on reducing Shurtape's Scope 1 and Scope 2 emissions from energy usage in a manner maintaining Shurtape's competitiveness through reliable, cost effective energy sources. He has been actively involved in the development of regulations at the State and National levels as well as the development and adoption of legislation at the state level. Mark is a registered professional engineer and graduate of North Carolina State University.
