

AN NC CHAMBER EVENT

Building NC

APRIL 2025

Jhansi Kandasamy
Vice President, Regulatory and External Affairs
The Nuclear Company

Jhansi Kandasamy has more than 35 years in nuclear. Prior to her role as Vice President of Regulatory and External Affairs with The Nuclear Company, Jhansi served as the Executive Director of Idaho National Lab's Net-Zero program. She developed public-private partnerships to build a nuclear roadmap for INL. Jhansi has held past leadership roles at GE Hitachi, PSE&G, Exelon, and Bechtel. She has also served as a Board member of Women in Nuclear Global and as a Past chair of U.S. Women in Nuclear.
