

Transportation & Infrastructure Summit

AUGUST 27, 2020 | VIRTUAL

Ronnie Keeter, P.E.
Eastern Deputy Chief Engineer
NC Department of Transportation

Ronnie Keeter is a 1992 graduate of UNC-Charlotte where he earned a Bachelor of Science degree in Civil Engineering. He has been with the North Carolina Department of Transportation for over 27 years. He served in a number of field engineering positions across the state including Division Engineer in Division 4. He came to Raleigh in 2019 as Eastern Deputy Chief Engineer where he is responsible for directing Construction, Maintenance and Operations programs across the state's 7 eastern highway divisions.

Ronnie lives with his wife Tara and their two children near Littleton in Halifax County.
