

AN NC CHAMBER EVENT

# Ag Allies Conference

OCTOBER 3, 2023  
RALEIGH, NC

**Liz Koutsos**  
**President**  
**EnviroFlight**

Liz Koutsos is the President of EnviroFlight, a company that upcycles regionally sourced by-products using black soldier fly larvae to create sustainable high value ingredients to improve plant, animal and human nutrition worldwide. EnviroFlight is wholly owned by Darling Ingredients (DAR, NYSE) and opened the first commercial-scale black soldier fly production facility in the US in 2019. Prior to EnviroFlight, Liz was the Director of Mazuri Exotic Animal Nutrition, a division of Land O'Lakes/Purina Mills.
