

AN NC CHAMBER EVENT

Health Care Conference

SEPTEMBER 14, 2023
DURHAM, NC

Ranjit Kumble, Ph.D.
Vice President, Data Science Solutions & Initiatives
Pfizer Digital

Ranjit is Vice President of Data Science Solutions & Initiatives within Pfizer Digital's AI, Data and Advanced Analytics (AIDA) organization. Ranjit's career has focused on building and applying data science and AI/ML capabilities across the value chain and his tenure at Pfizer has included leadership roles in scientific, clinical, and commercial analytics. Prior to Pfizer, Ranjit worked as a management consultant at ZS Associates and was an NIH Research Fellow in Biophysics at the University of Pennsylvania. In addition to his responsibilities at Pfizer, Ranjit is Adjunct Faculty in Applied Analytics at Columbia University's School of Professional Studies. Ranjit holds a B.Sc. (Honors) degree in Chemistry from St. Stephen's College, Delhi, India and a Ph.D. in Physical Chemistry from Princeton University.
