

AN NC CHAMBER EVENT

Health Care Conference

SEPTEMBER 20, 2019 | DURHAM, NC

Dr. Satish Mathan
President and Managing Partner
Raleigh Radiology

During his career in the radiology and healthcare industry Dr. Mathan has held multiple leadership positions. As president and managing partner of Raleigh Radiology since 2013, Dr. Mathan has doubled the organization's scale, increased the footprint to deliver more affordable imaging care to the Triangle, expanded the practice scope of service from Pediatric Cardiac MRI to Interventional Neuroradiology and acute stroke management and positioned Raleigh Radiology as the market leader in value based imaging in the Triangle. Dr. Mathan serves on several boards including Collaborative Imaging, a national Organization for Independent Radiology groups, helping manage strategic growth and development for that organization.

In clinical practice Dr. Mathan's interest include interventional radiology procedures such as Uterine Fibroid Embolization, Interventional Oncology and Treatment of Varicose Veins as well as non-invasive vascular imaging.

Dr. Mathan has a B.Sc. from University of California at Santa Barbara and an M.D. from Medical College of Wisconsin in Milwaukee Wisconsin. He has completed an internship at Santa Clara Valley Medical Center, Diagnostic Radiology Residency at UNC-Chapel Hill and Fellowship in Interventional Radiology at UNC-Chapel Hill.
