

# Environmental Compliance Conference

FEBRUARY 5, 2020 | RALEIGH, NC

**Mark McIntire**  
**Director, Energy and Environmental Affairs, Stakeholder Strategy  
and Sustainability**  
**Duke Energy**

Mark is the director of energy and environment affairs for Duke Energy in North Carolina. He has nearly 20 years of environmental engineering and regulatory affairs experience that spans state government, consulting, and industry. He joined Progress Energy in April of 2012 as an air pollution control engineer and transitioned into his current role in May of 2013. Mark is a registered Professional Engineer, an American Academy Board Certified Environmental Engineer and a Certified Carbon Reduction Manager. A graduate of North Carolina State University, Mark lives in Raleigh with his wife and two children.
