To continue driving economic prosperity and to preserve the progress our state has made, we need to recruit, support and elect courageous leaders who will stand up for North Carolina's jobs creators. The NC Chamber PAC gives our members the ability to directly support the pro-business and pro-growth leaders who are making the difference in our state's economic outlook.

North Carolina law requires that we must collect and report the name, mailing address, occupation and employer name of all individuals whose contributions exceed \$50 per election cycle.
