

AN NC CHAMBER EVENT

Ag Allies Conference

OCTOBER 11, 2024
RALEIGH, NC

Dr. Kathryn Polkoff
Co-Founder & CEO
Hoofprint Biome

Dr. Kathryn Polkoff is co-founder and CEO at Hoofprint Biome, which is engineering probiotics that eliminate methane from cattle while improving animal digestibility and health. Dr. Polkoff has spent her career at the intersection of livestock production and biotechnology. At Hoofprint, she has secured funding from multiple government and philanthropic organizations and has closed a multi-million dollar round of venture capital financing. She holds a B.S. and M.S. in Animal Science from the University of Illinois and a PhD in Comparative Biomedical Sciences from NC State's College of Veterinary Medicine.
