

AN NC CHAMBER EVENT

# Energy Summit

NOVEMBER 7, 2019 | DURHAM, NC

**S. Lee Ragsdale Jr., PE**  
**Senior Vice President, Energy Delivery**  
**North Carolina's Electric Cooperatives**

Lee Ragsdale serves as the senior vice president, energy delivery in the Power Supply Division for North Carolina's Electric Cooperatives headquartered in Raleigh, NC. His primary responsibility is to ensure that NCEMC provides a brighter energy future for the 26 electric cooperatives across the state through innovative edge of grid programs such as the Distribution Operator, Distributed Energy Resources and Microgrids, in addition to traditional safe and reliable Transmission.

He joined NCEMC in January 2007 and over the course of the last 12 years has led teams in resource planning, portfolio management, and asset management, and has been actively involved in cybersecurity, grid modernization and company-wide strategic planning.

Lee holds a Bachelor of Electrical Engineering from the Georgia Institute of Technology and a Master of Business Administration in economics from Georgia State University. He is a licensed Professional Engineer in the state of North Carolina.

Lee resides in Raleigh, NC, with his wife and two children. He is an active member of Hayes Barton United Methodist Church. He enjoys running, triathlons, golf, and tries to keep up with his active teenagers.
