

NC MANUFACTURING COUNCIL

Current and Future State of Workforce

JUNE 20, 2024 AT 11 A.M. TO NOON

VIRTUAL

Todd Roth
State Director of Skilled Trades & Work Based Learning
North Carolina Community College System

Todd was born and raised in Nebraska. His dad owned a construction company and, because of exposure to the industry from a young age, he always wanted to be an architect. Todd earned associate degrees in both Building Construction and Architecture from Southeast Community College (SCC- Lincoln, Nebraska) prior to entering the real world as a Structural Design Engineer in 2001. In this role he designed roof systems, floor systems, and wall panel systems for residential and commercial application. Todd first became an instructor in 2004, so 2024 will be his 20th year in higher education. He has served as an adjunct instructor in 3 program areas, a full-time instructor in 3 program areas, a program chair for 3 programs, and as an Associate Dean. In January 2022 Todd's family moved to North Carolina to become the Dean of ICTT for GTCC. In August 2023 Todd started working for the North Carolina Community College System Office as a Program Administrator and has recently transitioned into his new role as State Director of Skilled Trades and Work-Based Learning. Todd has a bachelor's degree in Adult Education and a master's degree in Higher Education Administration. He is an avid outdoorsman who loves to fish, hunt, and golf. He is also a diehard fan of the Cornhuskers, Kansas City Royals, and your Super Bowl Champion Kansas City Chiefs. Todd and his wife, Liz, have three little girls (Teagan 11, Aubree 8, & Pieper 8).
