

PROFESSIONAL BIO

Sepi Saidi, PE President + CEO

Sepi Saidi is a visionary leader who founded SEPI Engineering & Construction, Inc. (SEPI, Inc.) in 2001 and has led the company to become a premier, full-service civil engineering consultancy offering concept to completion services, technical solutions, and inspired design for the built environment. With more than 300 employees, SEPI is an *Engineering News Record* Top 500 ranked firm and has earned eight consecutive Zweig Group Hot Firm Awards.

Incorporating the core values of courage, excellence, openness, and positivity, SEPI provides a unique workspace and environment for its employees to plan, design, build, and give back to the communities in which we serve. With a dedicated passion to support organizations that align with the health, safety, and well-being of the families in our communities, Sepi and the firm are proud to be champions of community service through our SEPI Spirit volunteer program.

A Professional Engineer and alumna of North Carolina State University, with degrees in Civil and Agricultural Engineering, Sepi has been named by the *Triangle Business Journal* as the 2018 Businessperson of the Year, was selected as a Charlotte Business Journal 2018 Women in Business Achievement Award winner and has been inducted into the North Carolina Business Hall of Fame.

Sepi serves on several prominent boards including the Federal Reserve Bank of Richmond, North Carolina Chamber of Commerce, Raleigh-Durham Airport Authority and Duke Raleigh Hospital.

In Her Words

Proudest achievement: Raising my two wonderful children

Why engineering as your career:
Possibilities

If you could do anything or go anywhere: I would spend more time learning about ideas, places, people, food, and wine!
