Susie Silver, CDE
Director of Client Success
Workplace Options

Susie Silver (she/her) is a nationally recognized diversity, equity, and inclusion (DEI) thought leader. A Certified Diversity Executive (CDE), she has worked with more than 250 clients as a consultant, facilitator, strategist, and speaker. Susie specializes in leadership development, employee resource group/DEI council development, organizational business strategy, and LGBTQ+ inclusion. She works collaboratively with clients in creating culture-centric and business focused goals, as well as facilitates workshops, listening, and discussion sessions. Her reputation for being up-front and authentic about DEI topics has contributed to Susie's success and she meets each client where they are in their unique organizational journey. Susie's approach, paired with her down-to-earth humor, compels groups to share openly and feel safe while they are learning. She helps redefine company cultures to allow all people to feel welcomed, valued, respected, and heard.
