

2026 Environmental Compliance Conference

FEBRUARY 4, 2026
RALEIGH, NC

John Suchar
Vice President of Permitting, Land & Real Estate
The Williams Companies, Inc.

John Suchar is the Vice President of Permitting, Land and Real Estate within Williams' Project Execution organization. With his entire career and nearly two decades with Williams, he has held roles including Operations Supervisor and Operations Manager in the Piceance Basin of Colorado; Director of Environmental Health & Safety in Tulsa; Director of Operations for the Texas and Louisiana segments of the Transco pipeline; and Director of Commercial Services for the Eastern Interstates business unit.

In his current role, John leads a multidisciplinary organization responsible for environmental permitting strategy and execution, land acquisition and management, real estate, and cross-functional project support across Williams.

A Colorado native, John holds a Bachelor of Science in Environmental Science from Colorado Mesa University. He lives in Houston with his wife and two children.
