

AN NC CHAMBER EVENT

Education & Workforce Conference

AUGUST 11, 2022
DURHAM, NC

Representative John Torbett

John will be going into his seventh term as Representative of the 108th district in Gaston County January 2023. John's committee work spans a myriad of complex issues where he applies his strengths and focus for the people of the 108th district and those throughout North Carolina. He has been travelling around the state gathering information and hearing from folks regarding their ideas in how to design a new education system, since the current system has been stretched and changed to the point it is no longer working. He is proud of his work as a previous Chair of the School Safety Committee, believes a heightened awareness was caused and progress was made, although we need to continue to work to do all we can to ensure the safety of our schools in every way.
