

# Energy Summit

MAY 11, 2021 | VIRTUAL

**Erika D. Young**  
**Director, Business Development, Gas Pipelines**  
**NextEra Energy Resources**

Erika Young is in development for NextEra Energy's Gas Infrastructure group responsible for developing interstate pipeline projects to serve end-use markets and connect to prolific natural gas supply in the Haynesville, Marcellus and Utica shale plays.

Prior to joining NextEra in 2018, Erika spent 17 years of her career at Enbridge's Gas Transmission group and its predecessor companies, Spectra Energy and Duke Energy, most recently focused on Appalachia region business development for NEXUS Gas Transmission and Texas Eastern FERC regulated pipelines. Erika also served in various roles in Planning, Strategy and Global Sourcing & Logistics. Her early career was spent at financial services firms in audit, accounting and mergers & acquisitions.

She earned a bachelor's degree in accounting from Xavier University of Louisiana and an MBA from Tulane University.

Originally from New Orleans, Young currently resides in Houston with her husband, Brian, and two sons, Jalen (16) and Julian (14).
